i-bankforBusiness Cash Management Requirements

i-bankforBusiness Cash Management Service is a fee based secure service which provides business customers a 24-hour secure, efficient, and easy way to manage accounts via the Internet. Businesses can view account information, transfer money between First Bank dba Bank of Fincastle accounts, initiate Automated Clearing House (ACH) transactions and initiate wire transfers. First Bank dba The Bank of Fincastle will provide i-bankforBusiness Cash Management Service to applicants who meet the following requirements:

- Applicant must be one of the following business types with a Tax ID number: Proprietorship, Partnership, LLP, C Corporation, S Corporation or LLC.
- Applicant must be a Principle Owner and must sign a statement of liability, Resolution and Signature Guaranty and must assume all liabilities of the Company Administrator. **IMPORTANT NOTICE:** The Company Administrator has the ability to determine which employees can access cash management features and add, modify and delete end users and determine the features they can access. This option contains a full suite of customer administrative functions including end-user maintenance, activity reporting, balance alerts, account maintenance, password modification, and the inactivity timeout setting. The company administrator has access to all of the Administration options. The Change User Password feature is the only option available to end-users.
- Applicant must have at least one of the following Bank of Fincastle account types: Checking, Money Market, Savings, Certificates of Deposit, Mortgage, Line of Credit, and/or Loan.
- Applicant must have an e-mail address for which The Bank of Fincastle will use for contact.
- Computer: We recommend at least a 486 processor (Pentium preferred) or a Macintosh computer. A faster processor will give a better Internet Banking experience.
- Modem: A connection to the Internet that provides throughput of 28.8 Kbps (or higher) is sufficient.
- Internet Service Provider (i.e., Lumos Internet, Comcast, Cox Cable, Verizon)
- Browser: Browsers such as Microsoft® Internet Explorer version 7 or Mozilla Firefox 12 or later are required in order to accommodate 128-bit encryption security requirements. In addition, Java Script and cookies must be enabled on the browser used.
- i-bankforBusiness applicants may be required to maintain compensating balances.
- i-bankforBusiness applications subject to approval
